

KHUSHI MANIKPURI

AI & ML Developer

Phone: (+91) 8305410768 | Email: khushimanikpuri915@gmail.com

GitHub: <https://github.com/Dgd456sfh>

PROFESSIONAL SUMMARY

Information Technology student with strong skills in Python, Java, JavaScript, and full-stack development. Experienced in building AI-powered applications, web platforms, and data-driven solutions.

Passionate about software development, problem-solving, and learning emerging technologies.

EDUCATION

- ❖ Information Technology | Government Engineering College, Bilaspur CGPA: 7.7 – Present
- ❖ XII (CBSE) | BSP Senior Secondary School SEC-X, Bhilai

ACADEMIC PROJECTS

- ❖ **Green Desk:** Interactive Excel analytics dashboard with KPI reporting, charts, and PDF generation. **Automated Excel-based business reporting, reducing manual reporting effort by up to 80% and improving data-driven decision-making.**
- ❖ **Clinic Chain Management System:** Patient and appointment management using Node.js, Express.js, and MongoDB. **Reduced patient record retrieval time by 40% during pilot testing through centralized digital records.**
- ❖ **Suraksha Netra:** AI-powered traffic monitoring system using Python and OpenCV. **Provides real-time vehicle detection, speed estimation, and automatic number plate recognition (ANPR) to support smarter traffic monitoring and road safety.**
- ❖ **AI Resume Checker:** AI-based resume analysis and keyword matching. **Improves ATS compatibility by analyzing resumes, identifying missing keywords, and providing personalized optimization suggestions.**
- ❖ **CycleCare:** Women's health tracking app using Android Studio and Firebase. **Helps users monitor menstrual cycles, nutrition, and wellness routines, promoting better health awareness and consistent self-care.**

CERTIFICATIONS

- ❖ Python Programming Certification – Skill India Digital & Reliance foundation
- ❖ Python Programming Certification -- Skill India Digital & Microsoft
- ❖ Kaggle Learn – Python
- ❖ CSDIE Certification – Web Development
- ❖ AI/ML Vocational Training Certification – techonet pvt limited Durg

ACHIEVEMENTS

- ❖ Participant – Protex Hackathon
- ❖ Participant – OPS 48, Motilal Nehru National Institute of Technology Hackathon
- ❖ Participant – Innovex Storm Hackathon
- ❖ Participant – NeuroQuest 2026 AI & ML Quiz

Technical Skills

- ❖ Languages: Python, Java, C++, JavaScript, HTML, CSS
- ❖ Frameworks: Streamlit, Flask, Node.js, Express.js, OpenCV, Pandas
- ❖ Databases: MongoDB, SQLite, Firebase

❖ Tools: Git, GitHub, VS Code, Android Studio, MS Excel, MS Office
